Telephone & Voicemail Listing

Revised September 2014

Please remember to use four-digit dialing when calling a school or leaving a voicemail message for any staff member from within the district. When calling from outside the district you need to dial all seven numbers (832-xxxx). For Staff with "EXT" as the first three numbers from outside the district the process is a little different. First you dial 832-6050 and then enter their four-digit voice mail number to leave a message.
